

Dear Community Supporter,

We are excited to be planning the 6th Annual PARS for Pancreatic Cancer: In Memory of Ken Carstensen Golf Outing, a golf event that will benefit the Pancreatic Cancer Action Network. The event will be held at Heather Downs Country Club on June 8, 2019. The event will feature 18 holes of golf, raffles, and prizes. All proceeds go to the Pancreatic Cancer Action Network.

Pancreatic cancer is one the nation's deadliest cancers with a five-year relative survival rate of just 6 percent. An estimated 73 percent of patients will die in the first year of diagnosis. It is the fourth leading cause of cancer death in the United States, and is anticipated to become the second by 2020. The Pancreatic Cancer Action Network is a national organization creating hope in a comprehensive way through research, patient support, community outreach, and advocacy for a cure. Your gift of a prize for our raffles will help us raise funds needed to continue supporting the fight against pancreatic cancer.

Donations such as gift cards, gift baskets, travel, services, or other merchandise would be most appreciated. Your company's name will be listed as donating this item to our event. If you would prefer to have the donation picked up please contact Sarah at (419)392-8881 to make arrangements.

All donations may be sent to: **PARS for Pancreatic Cancer**  
**3349 Chasenwood Way**  
**Perrysburg, Ohio 43551**

Supporting this event is an excellent way to support free pancreatic cancer programs and services provided to cancer patients and their families and to highlight your commitment in the fight against pancreatic cancer.

If you have any questions regarding the event or would like to help out in any way, please feel free to contact me at (419)392-8881.

Thank you in advance for your support!

*Sarah Smith*
