

Dear PARS for Pancreatic Cancer Supporter,

We are excited to announce the 13th Annual PARS for Pancreatic Cancer: In Memory of Ken Carstensen Golf Outing. This special event will benefit the Pancreatic Cancer Action Network and will be held at Heather Downs Country Club on June 13, 2026. The day will include 18 holes of golf, raffles, prizes, dinner, drinks and more in support of a meaningful cause.

More than 66,000 Americans are expected to be diagnosed with pancreatic cancer each year. It is currently the third deadliest cancer in the United States and is projected to become the second leading cause of cancer-related deaths. Despite progress, the five-year survival rate remains only around 13%. The Pancreatic Cancer Action Network is dedicated to creating hope through research, patient support, community outreach, and advocacy for a cure.

We are kindly requesting donations for our event, such as gift cards, wine or liquor bottles, travel experiences, services, or other merchandise. All donors will be recognized for their generous contributions. If you prefer to have your donation picked up, please contact Sarah at **(419) 392-8881** to arrange a convenient time.

Donations may also be mailed to:

Your support helps provide critical funding for programs and services that benefit pancreatic cancer patients and their families. It is also a meaningful way to demonstrate your commitment to the fight against this devastating disease.

If you have any questions or would like to get involved in additional ways, please do not hesitate to reach out. Thank you in advance for your generosity and support.

Sincerely,

Sarah Smith
